

Owl

Fast, sneaky

Flying, seeking prey

Packs of owl's hunting

Windy breeze, frantically
flying

Perched carefully on
a tree branch

Whoop whoop whoop

Owl

Wolf

Ravenous appetite
Snarling, drooling
animals.

Pouncing on its prey.
Small but very
ferocious.

Howling at the moon.
Sprinting across grass
Hungry carnivores.

Wolves

Hunting
Rustling Bushes
Shooting a rifle
Quietly stalking our prey
Carrying a big pig
Walking for miles
Proud hunters
