

Please Don't..... by Judi Billcliff

Please don't lick the table, John,
Please don't suck your toes.
Please don't put your finger up
Someone else's nose!

Please don't lick the crayons, John,
Please don't suck your shirt.
Please don't rub my legs like that
Your hands are covered in dirt!

Please don't lick the mat, John,
Please don't suck your chair.
Why is Emily crying John?
Because you're chewing on her hair!

That's it John, I give up,
Lick anything you choose,
Yes, go on lick Tim's lunchbox
And why not lick his shoes.

Don't forget the goldfish, John -
Lick everything you see!
The guinea pig, and all your friends,
But..... **DON'T LICK ME!**
