

Rainbow Rabbit

By Judi Billcliff ©

My friend Sally saw a
strange looking rabbit,
She said it was lilac and
blue,
With floppy red ears, and
a bright orange nose.
I think she was tricking.
Do you?

It had green fluffy paws
and hissed like a cat,
She said it escaped from
the zoo.
Its whiskers were yellow,
its eyes were on fire.
I think she was tricking.
Do you?
