

Words Werdz Wurds

Mum likes to boodlewoodle,
My dad likes to bellaloo.
My brother likes to chopalop,
My sister likes to charew.

My nana can't stop nanoodling,
My poppa has to pillop.
My cat can't stop scilapping,
My dog has to dinkety dop.

My rat spends his day rinunning,
My guinea pig has to grapoo.
My fish spends his day swilushing,
My rabbit always has to snuffoo.

What about me? What do I like?
I like to maycupnewurds -
There's only one rule that I follow,
They must all be completely absurd.

Can you put the words below in order so they make sense?
