Fill in the blanks and make up a fun story.

One day a little came waddling out of the

“Where on earth did that come from?” shouted.....

I think it came from replied

It was and furry all over. It’s breath smelt like

It waddled up to me and grabbed my..... before
towards the swimming pool.

It dived in and as it came to the surface it shouted out.....

.....more creatures that looked just the same

into the garage and settled down to

I decided to be kind and took them some to eat.

What a day that was.
