

## Funky Monkey

My Dad took us out for a special treat  
He took us to the zoo,  
Where we saw a cheeky monkey  
Wearing bright green sparkly shoes.  
He was wearing funky sunglasses  
And a red and blue striped shirt.  
He was munching on bananas  
And yoghurt for dessert.  
When he saw us watching him  
He offered us a bite,  
But sharing food with a monkey,  
Didn't seem quite right.
