

## Downside

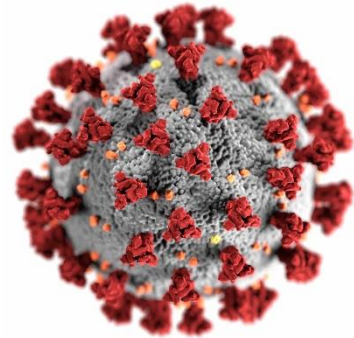

Lockdown  
Anxious, nervous  
Challenging times ahead  
We can't go anywhere  
Can't visit my friends  
Will it end?  
Uncertain, unsure  
Coronavirus.

## Upside

Lockdown  
Busy, organized.  
Reconnecting with family  
Enjoying fun times together  
All for a reason  
Kicking Coronavirus's butt  
Positive, winning,  
Empowered.

## R.I.P.

Coronavirus go away,  
You're not welcome here another day  
You've done your worst, now do your best,  
I think of you as an unwelcome guest.  
It's time for you to disappear  
We refuse to let you fill us with fear.  
We will win, now you must cease -  
Coronavirus Rest In Peace!
