Santa Is On His Way by Judi Billcliff

Santa is coming to our house
I wish he'd come to stay.
But once he drops my presents off
He heads off on his sleigh.

There's so much I'd like to ask him, So much I want to know. But when I wake up Christmas morning, Mum says, "He had to go."

I've decided to write to Santa
And invite him to stay the night.
Do you think he'd fancy a sleep over?
Do you think that he just might?

What's the best sleepover you ever had?
