

SNAIL MAIL DAY RAP

Snail Mail Day
Snail Mail Day
What the heck's that
I hear you say.

Snail Mail Day
The thirteenth of June
Coming to a letterbox
Near you soon.

Send `nyone
An interestin' letter
Guaranteed to make
Their day get better

Don't write letters?
Then send a card
That's pretty easy
It's not too hard.

Send a card or letter
For someone to treasure
An email or text
Won't last forever.

A letterbox aint only
For flyers and bills
Send someone a letter
And give them a thrill

Don't tell me that
Stamps are too dear.
They're not as much as junk food
Nor Dad's beer.

June the thirteenth
It's Snail Mail Day
So pick up your pen
And write away
