

The Volcano

Listen, listen, to the mountain
It is **rumbling** deep inside.
Listen, listen, to the mountain
It is **grumbling** deep inside.

It is time, it is time,
For the mountain to **erupt**.
It is time, it is time,
For the mountain to **blow up**.

Red hot lava thrown out
Reaching up into the sky,
Red and glowing like a fireball,
Can you see it, way up high?

*What else does the volcano look like?
Can you make a noise like a rumbling volcano?
What comes out of a volcano?
What word in the poem means the same as 'blow up?'
In groups, form the shape of a volcano and act it out.
You could add characters and create a whole scene.*
